

## 2024 Pocket Guide

Ahead of our week-long adventure on the sun-drenched beaches of the Albanian Riviera, we have compiled some essential information.

**Please read through as this guide contains key information on:**

- Travel and transfers
- Where to collect your wristband
- How to check into your hotel
- Festival info and getting around
- Cashless and how to top up

You will be able to access this information at any time online, but you may want to **download and save a copy so you can access it offline.**

Albania is not on the EU roaming list and it's likely you won't have access to the internet on your phone when you get there.

## Come Prepared

### Check your passport expiry date

Your passport should be valid for at least three months from the date of entry into Albania. If your passport expires before the end of August 2024 you need to organise an emergency replacement ASAP.

### Check-in online

Remember to check-in online and get boarding passes for all passengers for both the outbound and return leg of your flight, otherwise the airline may charge you.

Make sure to check your baggage allowance for both cabin & hold bags as some airlines have updated their policies recently.

### Get travel insurance

We highly advise that you book travel insurance that includes Covid cancellation cover. The Global Health Insurance Card (GHIC) is not valid in Albania and any healthcare costs can be expensive if you do not have insurance.

If you need emergency medical assistance during your trip, please make a Explorations staff member aware. The emergency numbers in Albania are listed below. You should contact your insurance/medical assistance company promptly if you are referred to a medical facility for treatment.

### Emergency numbers

General emergency: 112  
Emergency at sea: 125  
Police: 129

Ambulance: 127  
Fire brigade: 128  
Road police: 126

## Don't forget to pack

- Passport: We are going abroad!
- Sunscreen, sunglasses and a hat: It gets hot during the day - expecting around 25°C
- Beach towel and swimwear
- Comfortable party shoes
- A couple of warmer layers for the evening and boat trips
- Fitness clothes if you decide to take part in our wellness classes
- EU travel adapter and phone charger. A power bank is never a bad idea!
- Waterproof mac - the weather is meant to be good but it's better to come prepared!
- Mosquito repellent

## Spending money

The festival bars operate a cashless system and you will be able to pay for drinks with your wristband. However, you still need to bring your cards to use at the restaurants and shops in town and some cash to cover the security deposit of your accommodation plus the usual pocket money.

We recommend bringing some cash and a Revolut or Monzo card with you to save on card fees.

## Cash

The local currency is LEK. However, Euros are accepted in many places around Albania. If you bring Euros you will be able to exchange them at the local currency exchange office.

There are a couple of ATMs on site but bear in mind they charge a 8€ fee to withdraw money.

## Hotel security deposit

As with any other holiday accommodation, a security deposit may be required at check-in. If this is required, it will likely have to be paid in cash as most hotels don't have the facilities to take card payments.

Deposits vary depending on the accommodation type but on average they are between €50 - €150 per person. We recommend bringing this amount in cash. This amount will be refunded providing the accommodation is left just as found.

On departure, if your transfer leaves early in the morning, make sure to arrange the deposit refund the day before directly with the hotel. It is your responsibility to arrange this, we won't be able to collect it for you.

## Check your roaming plan

Albania likely won't be included in your roaming-free destinations, which means you will be charged for internet data by your phone provider — and probably quite a lot.

To make your lives easier this year, we have teamed up with an eSim provider, Airalo. Airalo allows you to download a sim on your phone so you can get data in Albania without juggling multiple physical sims. Explorations customers receive a 10% discount on eSims when signing up via the link [here](#), or using the code 'EXPLORATIONS10'.

The only reason you should really need your phone at Explorations is to locate your accommodation. But not to worry — you can save your accommodation location on Google maps so you can access it offline.

## Booking changes

As we need to confirm all final details with the hotels, Wednesday 15th May is the deadline for any booking changes and edits to your booking. Unfortunately, we will not be able to make any changes to your booking after this date.

## Prescription medication

If you need to bring prescription medication to the festival, please email the customer service team on [explorations@anjunadeep.com](mailto:explorations@anjunadeep.com), who can make our security team aware.

If you need to keep the medication with you rather than being able to leave it at your accommodation, it will need to be in the original packaging and you will need to provide proof of prescription (this can be an image on your phone). Without this, we will not allow you to enter the venue with your medication and we will ask you to return it to your accommodation.

If the medication is not in its original packaging and is non-identifiable, it will be confiscated.

## Prohibited items

- Illegal drugs, New Psychoactive Substances and Nitrous Oxide
- Glass
- Spray paints and pens
- Drones
- Items that may be used in a dangerous manner including sharps/blades, tasers and CS gas
- Animals (with the exception of approved assistance dogs)
- Alcohol & food items
- Private sound systems
- Flares, bangers, fireworks, sparklers, Chinese lanterns and naked flames Inc. tea lights
- No unauthorised professional commercial photography

## Transfers via Corfu

Once you land in Corfu, you need to make your own way to Corfu port (Kerkira). The best way to get there is by taxi — there is a taxi stop right outside the airport, the journey takes about 20 minutes.

Be sure to ask your taxi driver to take you to the International port for Albania rather than the domestic one for the rest of Greece.

**We advise bringing water with you to the port.** There can be a slight wait in passing through passport control and boarding the boat, and temperatures can reach 30-35 degrees. Staff will be on hand with water when necessary but it is best to be prepared.

### The boat ride

Boats go from Corfu (Greece) to Himarë (Albania). The standard ferry takes about 2hr 45. Enjoy the view while you cruise the Riviera. If you are lucky you may see some dolphins!

## The final leg

Once you get to Albania, our festival reps will escort you to the Albanian Customs desk for passport control, then direct you to the coach park before leaving for Dhërmi. This will take between 30 minutes to 1 hour, depending where your hotel is located.

Please note that if the sea is particularly choppy or stormy, the ferries may be redirected to Saranda instead of Himare. This is because the crossing is a lot shorter to & from Corfu, meaning your journey time should be fairly unaffected.

## What happens if my flight is delayed?

If your flight is slightly delayed and you miss your boat, we will do our best to accommodate you on the next ferry. If you are on the last boat and your flight is delayed by more than 30 - 45 minutes you may need to stay in Corfu overnight - check with your travel insurance. If that happens, come to the port the following day so you can hop on the first boat.

If you are going to miss your boat, feel free to WhatsApp this number to let us know. Travel and accommodation emergency +355 069 216 4835

## Transfers via Tirana

Once you land in Tirana, you'll need to check in with the team members wearing pink hi vis in the arrivals hall. The team will check you in for your transfer and walk you out to the vehicle outside. The journey will take around 3 ½ hours.

## What happens if my flight is delayed?

If your flight has been delayed and you're concerned you will miss your transfer, please speak to a member of the festival team in the arrivals hall once you've landed. If you have missed the last transfer of the day, please contact the Travel and Accommodation team on +355 069 216 4835. The team will put you in touch with alternative transfer options to get you to Dhermi as swiftly as possible.

## Departures

Departure transfers will begin from Monday 17th June. The closing party for Explorations will take place on Tuesday 18th June until the early hours of Wednesday.

If you have booked your festival transfers with us, please get to your nearest shuttle stop 30 minutes before the bus departure time. You can find your transfer times on your e-ticket.

Do not forget that if you are leaving as early as 01:00, you may need to arrange your checkout and security deposit return with your hotel the evening before.

### The return trip

If you are travelling back to Corfu, the coach will pick you up at the transfer stop nearest to your accommodation.

If you are travelling back to Tirana, please head to the Shuttle Transport Hub in Dhërmi beach, just outside of the festival entrance.

Please make sure you have checked in for your return flight home to make your return journey as smooth as possible.

## Accommodation

### Upon arrival

Once you have been dropped off, please head to your accommodation to check in. Festival reps will be at the transfer stop to help you locate your accommodation. Don't hesitate to ask them for help if you need it.

### Accommodation check in

Check in for the majority of hotels is from 14:00. If you are travelling with us, we have notified the accommodation of your arrival time and they will be ready for you, even if you are arriving late.

If you are not travelling with us, please check in between 15:00 and 23:00.

For check out times, please speak to the hotel directly upon arrival.

### Security deposit

As with any other holiday accommodation, a security deposit may be required at check-in.

If this is required, it is likely that it will have to be paid in cash, as most hotels don't have the facilities to take card payments.

Deposits vary depending on the accommodation type but on average they are between €50 - €150 per person. We recommend bringing this amount in cash.

This amount will be refunded providing the accommodation is left just as found.

If your transfer leaves early in the morning, make sure to arrange the deposit refund the day before. Please arrange this directly with the hotel. It is your responsibility to arrange this, we won't be able to collect it for you.

## Cashless System

We are operating a cashless system at Explorations. It's safer and easier than using your bank card or cash. It also means less queuing and more dancing.

Your festival wristband will have an RFID chip that can be topped up and used like a prepaid bank card across all festival bars, the market area, the merch stand and selected restaurants. All prices will be in Euros.

You can top up your wristband by creating a cashless account either [online before the festival here](#), or at one of our top up stations across the festival site. These stations accept card payments only. When collecting your wristband, any pre-loaded credit will be added at this point.

The top up stations will be busiest during the first few days. We advise topping up in advance online as much as you would like, as any leftover is refundable online after the festival.

**Please take a photo of the 6 digit code on the back of the RFID chip as this will be required to claim your refund - it is a good idea to have a record of it.**

Refunds will open at midday on June 22 and the refund system will close on July 4 at midnight.

Please note there are some small fees to cover part of the costs of running the cashless system and the commissions charged by the credit card providers:

- Activation fee: 1€
- Refund fee: 1€

## Opening hours

Top up stations will be located across the festival site and will operate from 11:00 - 05:00. The top up locations and opening hours are:

- Empire: Thursday - Monday from 20:00 - 05:00
- Splendor: Thursday - Monday from 21:00 - 05:00
- Yacht club: Friday - Monday from 11:30 - 15:30
- Pool Parties: Friday - Monday from 13:00 - 20:30
- Cashless cabin, The Terrace: Wednesday - Tuesday from 11:00 - 04:00

## What happens if I lose my wristband?

Your wristband should remain securely fastened to your wrist. There shouldn't be any reason for you to remove it until the event has ended. You should treat your wristband as you would cash or your bank card.

From our experience, it's very very rare for one of the wristbands to break. If you lose it, please make your way to the Info Point where it will be down to the Info Point Manager to make the decision if they are able to replace it. If the request is granted, there will be a 50 euro charge. Please also be aware; we won't be able to recover any balance but if you have taken a photo of your 6 digit code on the back of the RFID chip you will be able to claim a refund after the festival.

## Wristband Collection

Once you've checked into your accommodation and dropped off your luggage, head to the wristband collection desks, located just outside of the main festival entrance (E1 on the map).

You will need a valid photo ID and your e-ticket to collect your wristband as well as any cashless top up vouchers ready to be scanned.

Your e-ticket will be emailed to you the week before the event. If you have bought a shuttle bus pass you can collect this here too, so it's best to purchase this in advance - if you do need to buy a shuttle bus pass on site, you can do this at the Customer Info point.

The wristband collection desks will be open at the below times:

Thursday 13th June 14:00 - 02:00

Friday 14th June 09:00 - 01:00

Saturday 15th & Sunday 16th June - 10:00 - 22:00

You can pick up your wristband from 14:00 on 13th June until 22:00 on 16th June. Each member of your group will need to come individually with ID, **you cannot collect accreditation on anyone's behalf.**

If you are arriving outside of these times, you will need to wait until the following day to collect your wristband, please aim for arrival within these timings.

## Local services

Most of the restaurants are located by the main entrance along the water edge. You will also find a couple of shops, an ATM and a currency exchange office in that area.

## Accessibility

Explorations is set on a beachfront on the coast of Dhermi, Albania. Due to the location of the event, access for some mobility impairments is not possible in certain areas.

No matter your needs, we will work with you to ensure you have the best experience possible.

Our customer service team is available on [explorations@anjunadeep.com](mailto:explorations@anjunadeep.com) to discuss plans & further details, please give us a shout anytime!

## Food & Drink

There are some great restaurants and bars in Dhërmi and Drymades. Albanian food is the meeting point between Italian, Turkish and Greek cuisines. Above all, pride is taken on the use of fresh and locally sourced ingredients. Expect heavenly Mediterranean dishes, fresh salads, fish, pasta and delicious stone-oven pizzas.

Opening times are flexible and it is not rare to see some of the restaurants open until midnight.

Empire, Splendor, Gjipe, Grand Boutique and onsite festival traders will be accepting RFID. All other restaurants accept cash and cards. Cash points are located on the map if required.

Further afield we have Azul by Havana (Dhërmi), Yamato (Drymades), Ulliri & Nazar (Palase) in our list of recommended restaurants. These are not part of the festival so will require cash/cards.

### Reusable cups

In order to reduce plastic waste, certain drinks such as spirits require you to buy a reusable cup the first time you order at the bar.

Your first cup will cost 3€. Once you have your reusable cup, you will be able to use this cup for your drinks. You will be able to exchange your reusable cup for a cup token at any of the bars.

Next time you need a cup, you will be able to get a fresh one with your token at any festival bars. This will massively help us reduce the amount of plastic used at the event so please hold on to your cup for the night or exchange it for a cup token instead of disposing of it. Cups are not refundable.

## Getting Around

### Shuttle bus

If your accommodation is located outside of the festival area you will need some sort of transportation to move between the festival and your accommodation.

We operate a shuttle bus service between Dhërmi and Drymades. The weekly pass costs only £30 per person and provides unlimited shuttles. You can get this in advance via manage booking (up to 48h before the festival) or at the Customer Info point for €40.

If you book this in advance, you will be able to collect your shuttle pass wristband when you collect your festival wristband. If you want to purchase on site or are not travelling with us, you will have to make your own way to the info point to get your shuttle pass wristband.

If you are unsure whether you need a shuttle pass, please check the accommodation map to see where your accommodation is located. Anything in Dhërmi is walking distance to the festival. Perivolos and Drymades areas will require a shuttle pass.

### Shuttle times

The shuttles will be looping continuously between the stops roughly every 20 – 30 mins. Shuttles will run from Thursday 13th at 16:00 through until 12:00 on Wednesday the 19th.

There are 4 shuttle stops between Dhërmi and Drymades, plus 4 on request stops where you will be able to get off the shuttle if you request so to the driver when you get on the bus. Note: the shuttle won't be able to pick you up at those on request stops and you will have to walk to the nearest stop.

Please note that if you are staying at Green Coast a special shuttle will be provided at roughly the times below:

Green Coast > Festival: 12:00 & 21:00  
Festival > Green Coast: 15:00 & 04:00

You will be able to collect your shuttle pass wristbands from the Info Point, you will not be allowed to board the shuttle if you have not collected your wristband ahead of time.

## Taxis

Alternatively, you can book a taxi to move between the festival and your accommodation. You can book an official festival taxi over WhatsApp on +355 692793603. There will be two taxi ranks, one located next to Empire Hotel and one in Pirates Car Park (Shuttle Stop A).

Dhermi Beach to Drymades €15

Dhermi Beach to Dhermi Town €15

Dhermi Beach to Perivolo Street €10

Dhermi Beach to Himare €40

Dhermi Beach to Green Coast €30

Our shuttle buses and taxis will be branded so you know they are official. Please don't walk home alone and don't take unlicensed taxis. If you have any trouble finding transportation contact us and we will provide a trusted contact.

## Music & Stages

There are five stages in Dhërmi, plus Gjipe, which is outside of the main festival area and can only be accessed by boat.

### Empire

Our main stage is a sprawling throwback to vintage open air clubbing with bars, a food area with incredible stone-oven pizzas, fresh fish and vegetables, a chill out area with day beds, its own private beach and a stunning mountain backdrop. This space will hold most of the live acts and extended DJ sets, as well as the wellness and spa activities. Join us there from 21:00 to 06:00, Friday to Monday, and 23:00 - 04:00 on Tuesday.

### Splendor

A tranquil beach bar with sun beds surrounded by vegetation by day that becomes a buzzing open air club at night. This is the second biggest stage at Explorations. From Thursday to Monday we will host special sunrise sets here.

### The Cove

The Cove is an intimate beach spot, tucked away a few steps away from the main entrance. You can swim in crystalline waters during the day, enjoy live performances at sunset, and dance the night away by the sea.

### Yacht Club

The Yacht club is a cosy late night club on a raised yacht-like terrace flanked by gorgeous beaches and turquoise waters. Expect amazing cocktails and chill out areas during the day, and a full clubbing experience at night.

### Havana Beach Club

New for 2024, this daytime spot will host performances on Thursday and Tuesday from 16:00 - 20:00. The infinity pool is a strong contender for the best sunset spot in Dhërmi. Something worth experiencing with a cocktail in hand.

## The Sundeck at Sanur: Poolside Sessions

Immerse yourself in The Sundeck at Sanur's turquoise pool, take in the view of the Ionian sea and experience unique sets from our core label family. Our Poolside Sessions are now sold out for 2024. If you booked a spot, you will be emailed all of these details along with your e-ticket closer to the event.

## Gjipe

Gjipe is the hidden gem of the Riviera. This natural canyon fenced by 40m high cliffs and turquoise waters is one of the most incredible locations you will ever dance at, and an experience you will remember for years to come.

Gjipe is only accessible by boat, thus requiring an extra ticket. It opens Friday - Tuesday between 12:00 - 18:30

There are only a handful of tickets left on the manage booking portal. We promise this is an experience you don't want to miss!

## Set Times

The set times are at the end of this guide.

Please note, they are subject to change. Keep an eye on our [Instagram stories](#) to be updated live.

## Wellness & Spa

At Explorations there will be a whole host of wellness activities available to help rejuvenate your body after a night of dancing.

Sessions range from yoga to meditation, sound baths and breathwork.

Our wellness activities start from £6, and 100% of profits will be donated to SOS Children's Villages, which provides humanitarian and developmental assistance to families facing difficulties. It also supports children and young people without parental care or at risk of losing it. The organisation protects children's interests and rights around the world. Today, SOS Children's Villages is active in more than 130 countries and territories worldwide, including Albania.

Additionally, we offer a range of massage and spa treatments. These start from £35 for a 30 minute treatment to £55 for 1 hour.

Places are limited so make sure to [reserve your spot here](#) or via the link in our [Instagram bio](#).

## Things To Do

### Gjipe

Gjipe is a secluded paradise only accessible by boat that sits at the end of a natural canyon fenced by impressive 40m cliffs, stunning beach caves and crystal clear waters where Anjunadeep DJs perform.

You've probably heard loads about this hidden gem but it's got to be experienced to be believed!

Gjipe is only accessible by boat, therefore requiring an extra ticket. It opens Friday, Saturday, Sunday, Monday and Tuesday between 12:00 - 18:30.

Boats run every 30 - 45 minutes from the jetty at the far end of the Yacht club.

Earliest departure: 12:00

Last departure to Gjipe: 14:30

All guests must be checked in for departure from Gjipe by 19:00

If you already have a ticket, you will be able to collect your wristband before boarding the boat with proof of ID and your e-ticket.

If you haven't got a ticket yet, there are a handful of tickets left for some of the days that you can still book via the manage booking portal or at the customer info cabin on site.

### Dining Experiences

Our Dining Experiences are now sold out, if you booked a spot, you will be emailed all of these details along with your e-ticket closer to the event.

## House Rules

Explorations is a space for people to connect through music and shared experiences overseas. We welcome people from far and wide with open arms, regardless of race, gender or sexuality, as long as they come with a positive attitude.

Here are a few essential house rules. Please read through:

**Be inclusive:** People at Explorations are free to dress how they want, be who they want to be and love who they want to love. We want everyone to freely be themselves without judgement. Please look after each other, treat everyone with respect, embrace the openness and celebrate together.

**Be open:** At Explorations, you'll be able to enjoy a wide selection of artists spanning the Anjunadeep spectrum. This is a great opportunity for you to discover new artists.

**Be present:** Explorations is an escape from the everyday, make the best out of it. If you are on the dance floor, put your phone away. Dance, interact with the people around you, let loose and enjoy the moment.

**Respect the locals:** Albanians are incredibly welcoming, but remember that we are here as guests. Be kind to our hosts, keep the noise down outside the music venues, and leave the place in the same or better condition than when you arrived.

**Respect the planet:** We are so lucky to gather together on the picturesque shores of Albania each year. Be mindful of your surroundings and look after our home, so we can keep coming back.

Please note: Cigarette disposal is available on-site, but there are currently no places to recycle vapes - please take vapes home for recycling in WEEE bins. Tetra packs and cans go into recycling, with everything else belonging in general waste bins. Refuse plastic bags & straws from local shops & restaurants, collect any plastic you see on the beaches, and help us keep this beautiful place in pristine condition.

## Welfare & Safety

Our Welfare Tent is located just outside of the Cove and is open 24 hours a day. The lovely team are always on hand if you need any help or just someone to talk to.

Please bring the best version of yourself and come with a positive attitude — everyone is welcome at Explorations. It is a place for people to freely be themselves, without judgement.

Look out for each other — if you feel uncomfortable, report this to a member of the Safe Team. They will be wearing an orange 'Safe Team' armband and can get you the right support.

Unwanted attention, racist, sexist, homophobic, transphobic or abelist behaviour won't be tolerated.
